2. "It is a beautiful old palace near Oxford," she added.

3. She told me, "It reminded me of Versailles, which I had visited a year before."

4. "If you are interested, I will take you there next summer," she offered.

5. "There are a lot of interesting things to see," she said.

7. My next question was, "How do we get there?"

8. I also wanted to know, "Can I take my brother?"

9. "How long are they open?" I asked her.

10. "Have you ever been to Warwick Castle?" I asked.
