

WRITE A WEATHER FORECAST WITH YOUR OWN PREDICTIONS.

For example:

Tomorrow will be mainly dry, but there will be some rain in the north. There will be strong winds from the south-west later in the day. It will be quite warm in the south, but Darmstadt will be cold, and in the south of Darmstadt the rain will turn to snow during the afternoon.

[illegible]

**you might need these words:**

cold, dry, earthquakes, east, hurricanes, ice, lightning, north, rain, snow, south,  
thunder, warm, west, wet, winds
